Exceeding Is Our Passion

## UK Postal Data Linked to an Email/IP Address- 120,000

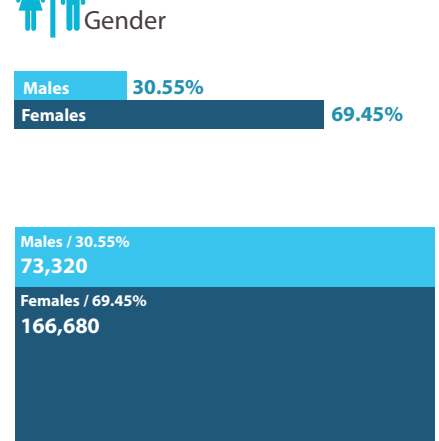

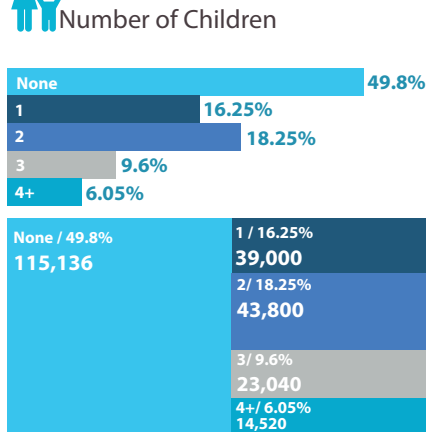

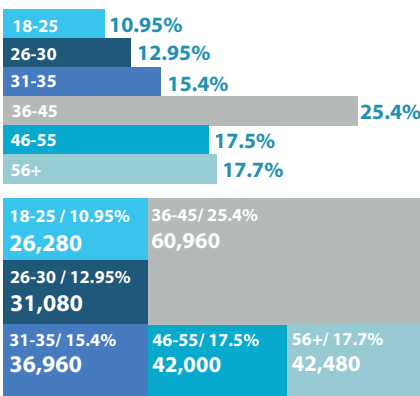

Collected exclusively on our network of UK web sites data is 0-12 months, is highly selectable and links a postal record with an email address. The postal data is fully data protection compliant and consistently performs well due to regulated use.

Data can be targeted using a wide range of selections to include Telco switchers, Utility switchers ,Charity Donors, Mail order Buyers, Insurance Renewals and many more...

Data is validated using best in industry, inline validation and approximately 20,000 to 30,000 records added every month – please contact us for further details.

**120,000** Records

DataXcel consumer postal data offers marketing teams one of the richest New sources of postal information available in the UK today.
